🎓 PROFILE

Dr. Yi Han Lin is an Assistant Professor at Xiamen University's Pen-Tung Sah Institute of Micro-Nano Science and Technology, supported by its Class-A Assistant Professor Program and the PhD Special Program of CAST's Young Talent Support Project. In the past five years, he has published 8 first/corresponding author peer-reviewed papers in top venues (e.g., *Nature* (Cover), *Nature Computational Science*, IEEE TNNLS, ICCV, CVPR), delivered an invited keynote on brain-inspired visual sensing in Austria, and serves as a reviewer for journals/conferences like *IJCV* and IEEE TNNLS. His representative work, "Tianmouc", was a *Nature* cover article, rated a 2024 Top 10 Scientific and Technological Advance news in China, and won awards including the 2025 Zu Chongzhi Award and 2024 World Internet Conference Leading Technology Award.

🎓 EDUCATION & PROFESSIONAL EXPERIENCE

Xiamen University - Assistant Professor Pen-Tung Sah Institute of Micro-Nano Science and Technology Jul. 2025 - Present

Tsinghua University - Ph.D. Candidate Department of Precision Instrument, Instrument Science and Technology Sep. 2020 - Jun. 2025

Tsinghua University - Minor Department of Computer Science and Technology, Computer Application Sep. 2016 - Jun. 2020

Tsinghua University - B.Eng. Department of Precision Instrument, Measurement & Control Technology Sep. 2016 - Jun. 2020

📖 RESEARCH INTERESTS

Brain-inspired Complementary Vision Sensors, Computational Photography, Brain-inspired Computing Models & Algorithms, Reinforcement Learning & Active Perception

★ AWARDS & FUNDING

2025 Zu Chongzhi Award - Frontier Innovation in Artificial Intelligence	Beijing Institute for Brain Science and Intelligence Technology, 2025
2024 Top 10 Advances in Chinese Chip Science	Editorial Office of CHIP Journal, 2025
2024 Major Progress in Chinese Neuroscience	Chinese Neuroscience Society, 2025
Young Talent Support Project (PhD Program)	Chinese Society for Measurement and Instrument, 2024
2024 World Internet Conference Leading Science and Technology Award	Organizing Committee of World Internet Conference, 2024
Intel China Academic Excellence Research Award	Intel China Research Institute, 2024
First-Class Scholarship, Chinese Society for Measurement and Instrument	Chinese Society for Measurement and Instrument, 2024
Outstanding Graduate of Beijing	Beijing Municipal Education Commission, 2020 & 2025
Outstanding Graduate of Tsinghua University (Top 2%)	Tsinghua University, 2020 & 2025
Future Scholar Scholarship (Top 3%)	Tsinghua University, 2020
National Scholarship (Top 2%)	Ministry of Education of China, 2018 & 2025
